# Warwick Region Community Meeting #4 - Community Services

How would you like to see the Warwick Region and its community service organizations invest time and resources to improve the quality of life for the following topics?

Partner w/  
Religious Release  
to nurture growth  
in the next  
generation

For  
Senior  
Citizens

This Complex we  
sit in today is  
one example of an  
eye sore of growth.  
It does not fit in  
with the community.  
YES A BIG BLACK  
ugly hole.

AIR  
QUALITY

There is nothing  
to keep young  
people here.  
Housing - expensive  
Traffic - terrible  
Roads - deplorable

ideologies &  
child  
mutilation  
in any form

Combat any  
hate speech  
in any form

LESS  
TAXES

group  
programs  
for Seniors  
in addition  
sr. Center

# Warwick Region Community Meeting #4 - Community Services

Which aspects of quality of life within the Warwick Region do you feel face the most challenges in the next five years?

housing  
variety of types, sizes, prices

Not enough housing at an affordable level

Housing for middle class families

People being priced out of housing / cost of living rising

AFFORDABILITY groceries everything

Providing affordable housing for young people after HS or other ed.

Affordable Housing for our children + their families.

Housing - Skyrocketing Prices.

Make diversity of housing types more affordable / less approval process to allow for more affordable housing

Home Ownership - ownership is important for healthy communities

Our young adults can't afford to live here making Lititz a community of old people

more affordable housing - moratorium on upper end housing

Affordability for families and young adults

# Warwick Region Community Meeting #4 - Community Services

Which aspects of quality of life within the Warwick Region do you feel face the most challenges in the next five years?

Too much TRAFFIC  
IS NOW A DANGER,  
Worse THAN A  
DISTRACTION

WE Need  
a 772 TRUCK  
ROUTE →

WHAT Happens  
if the TURNPIKE  
Decides To put  
AN EXIT (ON RAMP)

# Warwick Region Community Meeting #4 - Community Services

Which aspects of quality of life within the Warwick Region do you feel face the most challenges in the next five years?

Keeping farms

Natural areas & riparian areas need to grow/be encouraged.

Preservation of green space wildlife habitat

Preservation of farmland

Development of our farm land for gigantic unaffordable houses

GREEN SPACE  
KEEP WHAT WE HAVE, LIMIT DEVELOPING

# Warwick Region Community Meeting #4 - Community Services

Which aspects of quality of life within the Warwick Region do you feel face the most challenges in the next five years?

WESC  
Volunteer  
System

National  
Extremists

Impact of  
The Sale of (Aug  
The 40 Acre 2023)  
High Sports  
Complex

What  
are the  
Representatives  
from our  
Churches

Security & Safety

NEED MORE  
FAMILIES WITH  
CHILDREN.

Family  
& TRUE  
Biblical  
values &  
morality

Individuals  
(minorities)  
being persecuted  
and not feeling  
welcomed

It seems like the  
School District is  
under so much scrutiny.  
Our 4 children went  
through WSD & it was  
wonderful! They need our  
support.

Political division

Not jobs  
on school  
board who  
think only  
their opinion  
matters
